### **Stoughton Utilities RoundUP Program Donates \$500 to Three Gaits, Inc.**

Stoughton Utilities recently donated \$500 to Three Gaits, Inc. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to local non-profit community organizations.

Three Gaits provides equine-assisted activities and therapy to enhance the lives of people with physical, emotional, or intellectual challenges. RoundUP funds will be used to purchase outdoor tables and chairs that will allow program participants to engage in nature-based activities in an outdoor setting. Seating will also provide a place for loved ones and caregivers to observe participants during sessions.

Stoughton Utilities began its RoundUP program in 2006 as a way to further assist local non-profit organizations in our community. Over five percent of Stoughton Utilities customers have voluntarily chosen to participate in the program and are continuing the "neighbor helping neighbor" concept that founded Stoughton Utilities over a century ago.

Customers wishing to participate in the RoundUP program, or non-profit organizations requesting to be considered for future donations, may sign up online at [stoughtonutilities.com/roundup](https://stoughtonutilities.com/roundup), or by calling Stoughton Utilities customer service at (608) 873-3379.
