### **Stoughton Utilities RoundUP Program Donates to Society of St. Vincent de Paul – St. Ann Conference**

Stoughton Utilities recently donated \$667 to the Society of St. Vincent de Paul – St. Ann Conference. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to local non-profit community organizations.

St. Vincent de Paul – St. Ann helps Stoughton residents who are having a difficult time paying rent and are in danger of eviction. They also assist with utility bills and medical needs, serving those in need to help strengthen the community.

Stoughton Utilities began its RoundUP program in 2006 as a way to further assist local non-profit organizations in our community. Over five percent of Stoughton Utilities customers have voluntarily chosen to participate in the program and are continuing the "neighbor helping neighbor" concept that founded Stoughton Utilities over a century ago.

Customers wishing to participate in the RoundUP program, or non-profit organizations requesting to be considered for future donations, may sign up online at [stoughtonutilities.com/roundup](https://stoughtonutilities.com/roundup), or by calling Stoughton Utilities customer service at (608) 873-3379.
