Stoughton Utilities RoundUP Program Donates to Dane County Humane Society

Stoughton Utilities recently donated \$667 to the Dane County Humane Society. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to local non-profit community organizations.

The Dane County Humane Society is an open-admission shelter, taking in all animals regardless of the health, age, or behavior. RoundUP funds will be used to provide care to the thousands of companion, wild, exotic, and barnyard animals they rescue each year.

Stoughton Utilities began its RoundUP program in 2006 as a way to further assist local non-profit organizations in our community. Over five percent of Stoughton Utilities customers have voluntarily chosen to participate in the program and are continuing the "neighbor helping neighbor" concept that founded Stoughton Utilities over a century ago.

Customers wishing to participate in the RoundUP program, or non-profit organizations requesting to be considered for future donations, may sign up online at stoughtonutilities.com/roundup, or by calling Stoughton Utilities customer service at (608) 873-3379.
