Stoughton Utilities RoundUP Program Donates to Pumpkin Patch Preschool

Stoughton Utilities recently donated \$667 to Pumpkin Patch Preschool. This donation is part of Stoughton Utilities' RoundUP program, a voluntary program that 'rounds up' customers' utility bills to the next whole dollar. All proceeds are distributed to local non-profit community organizations.

Pumpkin Patch Preschool will use RoundUP funds to expand preschool and childcare programming, increasing childcare for families and providing high quality educational programming.

Stoughton Utilities began its RoundUP program in 2006 as a way to further assist local non-profit organizations in our community. Over five percent of Stoughton Utilities customers have voluntarily chosen to participate in the program and are continuing the "neighbor helping neighbor" concept that founded Stoughton Utilities over a century ago.

Customers wishing to participate in the RoundUP program, or non-profit organizations requesting to be considered for future donations, may sign up online at stoughtonutilities.com/roundup, or by calling Stoughton Utilities customer service at (608) 873-3379.
